

# Cannabis in the Legalization Era: Caveat “H-Emptor”

with **Tony P. George, MD, FRCPC**

Professor of Psychiatry, University of Toronto  
Clinician-Researcher and Head, Biobehavioural Addictions and Concurrent Disorders  
Research Laboratory & Program Director, CAMH Addiction Psychiatry Fellowship

at **Women’s College Hospital**

Auditorium, Room 2501

Wednesday, January 16, 2019 @ 12:00 to 13:00

## LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. summarize the biopsychosocial effects of cannabis,
2. consider the implications of the cannabis legalization framework in Canada in the general population, and in vulnerable populations such as youth and people with mental illness, and
3. review the treatment approaches for problematic cannabis use.
